

Income Disclosure Statement 2016

The income statistics below are for all U.S. SevenPoint2 Distributors who were eligible to earn downline commissions in 2015. An “active Distributor” is defined as any person who: executes a SevenPoint2 Distributor Agreement and has received at least one commission from downline productivity. Distributors who were inactive in 2015 received no income. The **average** annual income for **active** Distributors in 2015 was \$1,093.53, and the **median** annual income for **active** Distributors in 2015 was \$102.01. Of all the Distributors that signed up in the year 2015, 35.41% earned commission.

In 2015, 68.60% of all Distributors received no income at all. Note that these figures do not represent a Distributor’s profit, as they do not consider expenses incurred by a Distributor in operation or promotion of his/her business. The figures above refer to gross income (total income before any expenses are deducted). The expenses a Distributor incurs in the operation of his or her SevenPoint2 business vary widely. Expenses for Distributors can be several hundred or thousand dollars annually. You should factor in estimated expenses when projecting potential expenses. The earnings of the Distributor in this chart are not necessarily representative of the income, if any, that a SevenPoint2 Distributor can or will earn through his or her participation in the SevenPoint2 Compensation Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings would be misleading. Success with SevenPoint2 results only from successful sales efforts, which require hard work, diligence, leadership. Your success will depend upon how effectively you exercise these qualities.
